### How to set scheduled Day&Night switch for Analog PTZ

### Purpose

Set scheduled Day&Night switch for Analog PTZ.

#### Steps:

1. Call preset 95, enter OSD menu.

Figure 1 Call Preset 95

2. PTZ time maybe different from DVR. For scheduled task, you should set the PTZ time first. Go to Main menus  $\rightarrow$  Dome settings  $\rightarrow$  Sys info settings  $\rightarrow$  Sys time.

Figure 2 Set PTZ time

3. Set scheduled Day&Night switch.

Go to Main menus  $\rightarrow$  Dome settings  $\rightarrow$  Time task.

WEEK WH	OLE WEEK
START(H-M)	22:00
END(H-M)	05:00
DONE: OPE QUIT: CLO	N S E
